# Kindergarten Transition Week 1

This week we had our first week of Kindergarten Transition. The 2025 Kindergarten children were very excited to play in the play area, meet their buddies and explore our school. While the children engaged in reading 'The Enormous Watermelon' in Library and drawing watermelons on KidPix in the Computer Room, parents played Literacy and Numeracy games during the parent workshop. Students even experienced their first Drama lesson with Mrs Rosebery pretending to be monkeys. We welcome our new students and families to Arncliffe Public School and wish them all a great start in 2025!

# Congratulations

We are proud to acknowledge the achievements of two of our staff members: Mrs Dimovski and Mrs Salame, who received special recognition at the 2024 Canterbury, Kogarah, Marrickville Network Awards. Congratulations!

Diana is a distinguished, highly committed and successful teacher. She has been leading Mathematics in our school and is having a significant impact on influencing teacher pedagogy by demonstrating innovative and explicit teaching strategies. She has opened her classroom for colleagues to observe high expectations, best practice and mathematical inquiry. The impact has seen professional dialogue opened and reflective feedback and practices increase. Diana has been guiding and supporting early career and experienced teachers. Building on from her impact as a Bump It Up teacher, Diana has ensured students are engaged in relevant, engaging and dynamic learning experiences. As a consequence, there has been a positive uplift in student results. With an adherence to high expectations and curriculum delivered to meet the learning needs of all students, Diana is an experienced, highly respected and valued teacher for Public Education.

Kathy is a dedicated and passionate leader of student learning in Mathematics. She has been successful in a dual capacity of providing enriched Mathematical experiences for students and teachers. She has delivered professional learning experiences for teachers by modelling differentiated lessons in K-2. She has sought teacher feedback and demonstrated explicit teaching strategies that are inclusive and student focused. Kathy has ensured students are engaged in relevant, engaging and dynamic learning experiences. As a consequence, there has been a positive uplift in student results and an increase in teacher confidence delivering practical mathematical experiences in the classroom for their students. Kathy has been mentoring and building the capacity of early career and experienced teachers. She is acknowledged as an expert within our school who has the passion and willingness to nurture student and teacher growth. Kathy is an experienced, highly respected and valued teacher for Public Education.

## PSSA News and Results

We remind parents that the bus for PSSA leaves from the Avenal Street Gate at 8.30am promptly.

Please make sure you bring your child to the gate at 8.15am. The playground is unsupervised so they must be taken to the PSSA teachers at the bottom court.

Please also note that the Office doesn't open until 8.30am.

Please ensure your School Bytes App notifications are on to receive PSSA cancellations

**LUNCH ORDERS: ALL PSSA STUDENT LUNCH ORDERS MUST BE MARKED PSSA**

**Locations: 22<sup>nd</sup> November**
