What a wonderful world!!

Let's Get Loud triumph

Yesterday's Let's Get Loud performance exceeded all expectations in every way! The Matinee and Evening performance gave us the opportunity to acknowledge the hard work and dedication of everyone who is a member of a band, instrumental ensemble, drumming or percussion group and choir. The performance allowed the children to showcase their growing skills and their love of music. It was also an opportunity for our teachers and tutors to demonstrate their commitment to music, passion they have in their chosen field, pride they have in the students and their obvious enjoyment in making music together.

Every aspect of the event was incredibly successful - including the ever popular Community Choir. Singing together in harmony is a wonderful analogy and reflection of our school. To echo the sentiment of the song "What a wonderful World" I can proudly say "What a wonderful School!!"

I would especially like to acknowledge the enormous contribution of Mr Olofsson to our whole school music program as well as the conducting and coordination of Let's Get Loud. Mr Olofsson, with his incredible musical skill set and music knowledge has grown our programs over the past 5 years. He has significantly increased access for our students into all things music. His passion and enthusiasm has been amplified across the school, reflecting his respect and regard in the Performing Arts sphere of the Department of Education. We have been blessed to have had this rare and unique opportunity to have Mr Olofsson as a member of our staff and will greatly miss his musical direction in the future.

There are many people to acknowledge and thank for volunteering their time, expertise and effort to ensure the event was successful. I would however, like to shine the light on 2 of our most committed parents in Vicki T and Paul I. The amount of time and energy they both gave so generous to the coordination of Let's Get Loud has been phenomenal. On behalf of the whole school community I thank you both.

So it's time to enjoy the wonderful memories of Let's Get Loud 2018 and maybe let a few small dreams of Let's Get Loud 2020 begin to germinate!

Remembrance Day

Monday 12 November

Arncliffe Public School will hold a special Remembrance Day ceremony on Monday 12 November at 11am (promptly). The ceremony will be a very special occasion as we reveal our two new plaques installed above our Poppy Wall of Remembrance.

The two plaques were generously funded under the Commemorative Grants program and supported by the Department of Veterans' Affairs. We would also like to thank the Federal Member for Barton, Ms Linda Burney and the State Member for Rockdale, Mr Steve Kamper who gave such strong support to our Grant proposal.

Everyone is welcome to attend.

Toy Drive and Wishing Tree

This term the SRC are organising a Christmas Drive to collect toys for underprivileged children. Please donate new toys wrapped and labelled with the gender and age they are suitable for to give these children a smile during Christmas time.

The SRC Wishing Tree will be put up in the office this week and you have until the end of Week 7 to donate your toys.

Tap & Go now at the Canteen!

The Canteen would like to advise that they now have an electronic reader which means you can "Tap & Go" for your canteen purchases! Whilst they can't offer any "cash out" facilities, we hope that Tap & Go will make it easy for families!

Also look out for a "Class Colours" themed week coming up in Week 6. Green, Purple, Blue, Red, Orange will all be featured!

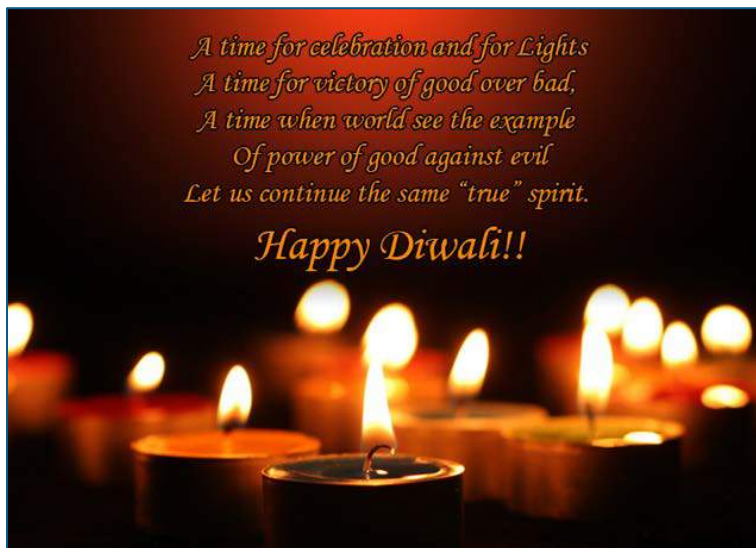

Community BBQ for Mongolian families

The Arncliffe 3 Bridges Community Centre are organising a Community BBQ for the Mongolian Community. The event will be held on Saturday 17 November. See flyer for details.

Happy Diwali

Diwali (Dipavali in Sanskrit) is a Hindu festival of lights, which is celebrated every Spring in southern hemisphere. One of the most popular festivals of Hinduism, Diwali symbolises the spiritual "victory of light over darkness, good over evil and knowledge over ignorance." We wish all our families celebrating Diwali a joyous and happy celebration.

Let's Get Loud 2018

Wow, wow, wow, what a Wonderful day we had yesterday with TWO absolutely amazing shows! We should all feel so proud of this amazing and talented community we are a part of. We would like to extend heartfelt thanks to all the wonderful people who made Let's Get Loud 2018 possible;

Mrs Mores, Mrs Salame & Mrs Azmy - for their wonderful work with the school choirs and the Arabic drumming group.

The wonderful ladies in the office - for all their practical support for this event (and for the music program in general).

All of our parent helpers, we are so fortunate to have so many families who always put their hands up - and this time we needed double the helpers for 2 shows - amazing!!!

The Art After School Program - coordinated by Caitlin Newton-Broad & Anne Loxley and all the student artists for once again creating the wonderful stage banners and a video compilation. And to Michelle Matic & Germana Eckhart for pulling all the extra bits together to make the hall look so festive!

The ensemble parent helpers - who play a pivotal role in helping each ensemble on a weekly basis and have provided huge support to this event.

All of our conductors and private lesson tutors- who teach the music students out of school hours and have worked hard to prepare the children for this concert.

All the parents - who tirelessly help their kids stick with the program - especially when it involves early morning rehearsals!
