Remembrance Day

Monday 12 November

Arncliffe Public School held a very special Remembrance Day ceremony on Monday 12 November. At the ceremony we revealed two new plaques installed above our Poppy Wall.

The first plaque contains a list of the names of all the Arncliffe Public School students who died in World War 1. This list includes one man who was both a teacher and a student here. We sincerely thank Mr Roy Pearson, local historian and World War 2 veteran, who spent a great deal of time researching and preparing this list of names for us. It is a wonderful tribute to our fallen veterans. We are honoured to have this plaque to pay homage to them.

The second plaque comprises a beautiful poem, My Gallipoli, by former Arncliffe Public School student Rory Kinsella. Rory wrote the poem last year when she was in Year 6. It was read out at last year's Remembrance Day Assembly. Everyone was so moved by her poem that we felt it would be a wonderful addition to our Poppy Wall. Read Rory's poem on page 3 of this newsletter.

The two plaques were generously funded under the Commemorative Grants program and supported by the Department of Veterans' Affairs.

My Gallipoli

By Rory Kinsella (Year 6, 2017)

I am Private Frankie,
No. 3456, Auckland Mounted Rifles,
I joined up with my mate Andy a few months ago.
Yesterday the Auckland Mounted Rifles were ordered to capture the Turkish
position, at Chunuk Bair.

Our Father who art in heaven,

Andy and I were determined to succeed and escape without injury,
Or at least fatality.

Hallowed be thy name,

We were running, running faster, faster, faster,
Then they were gone, and I fell.

Thy kingdom come,

I was on the ground, not asleep, not awake, but almost unconscious because of
the pain,

I tried to move but the dizziness in my head was too great and I had to stop.

Thy will be done

My uniform was wet, with water I first thought, but no, of course not,
Shot in the stomach, unable to move, sun blazing down overhead.

on Earth,

I reached into my coat pocket and pulled out a blood stained photograph

As it is in Heaven.

She was smiling, her eyes were shining, 'Come home-' she had said, 'Please,
just come home.'

I put the photograph over my heart and closed my eyes.

This is and always will be my Gallipoli.

Toy Drive and Wishing Tree

This term the SRC are organising a Christmas Drive to collect toys for underprivileged children. Please donate new toys wrapped and labelled with the gender and age they are suitable for to give these children a smile during Christmas time.

The SRC Wishing Tree will be put up in the office this week and you have until the end of Week 7 to donate your toys.

2018 Free Events Guide

Bayside Council
 Serving Our Community

As 2018 draws to a close Christmas decorations are going up around Bayside and Council staff are hard at work preparing for the family-friendly Christmas events that have become the highlight of our festive calendar.

Carols in the Park has grown into a popular event that brings our diverse community together to celebrate in the beautiful Mascot Memorial Park.

Carols by the Sea on Lady Robinsons Beach is a very traditional Australian way to celebrate the spirit of Christmas and features local community groups singing your favourite Christmas carols.

Christmas is also a time to consider those less fortunate. Please consider making a donation to a local charity to help those in need.

I look forward to seeing you at Bayside Council's family-friendly fireworks on New Year's Eve at Lady Robinsons Beach.

On behalf of my fellow Councillors as well as Council staff I wish you all a Merry Christmas and a prosperous New Year.

Night work on Princes Highway, Arncliffe from Monday 5 November

The NSW Government is investing in this essential work under its \$1.5 billion maintenance program.

Roads and Maritime Services will be concreting, installing drainage strips and removing trees, vegetation and loose rocks from the rock wall adjacent to Arncliffe Public School on Princes Highway, between Wickham Street and Avenal Street.

Our maintenance work aims to prevent or minimise damage to roads from weather and wear and tear to make them safer, provide consistent driving conditions and reduce maintenance costs in the long term.

Our work schedule

We will be working up to 5 nights a week for 20 shifts between Monday 5 November and Friday 21 December, weather permitting. Our work hours will be between 8pm and 5am from Sunday to Thursday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
