Christmas Concert (K-4)

Everyone is warmly invited

When: Tuesday 17th December

Time: 9:15am

Where: School Hall

We hope to see you there!

Please note that students in Kindergarten need to be at school by 8.30am to get ready for our concert.

Parents willing to help with costumes and make up would be greatly appreciated at 8.30am in the Kindergarten rooms!

We also have a full dress rehearsal on Thursday morning, 12th December. If you're free to help from 8.30am please meet us in the Kindergarten rooms.

S.T.E.A.M. Fun Day

Wednesday's S.T.E.A.M. day was tremendous! All the students from K-6 were engaged in their activity, cooperating, collaborating, communicating and problem solving together. It was a wonderful experience to observe all of this and feel the positive energy in the classrooms. We hope your child enjoyed the day.

Thanks from the Wishing Tree

Thank you to all the families who donated gifts under the Wishing Tree over the last few weeks. We collected over 50 gifts which will be given to families in need. We are proud of the generosity of our community to help others less fortunate.

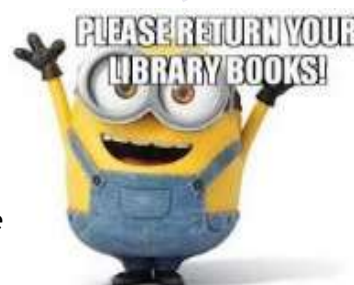

The Wishing Tree is now closed.

Return your library books!

From Mrs Agius, Librarian

There are currently over 400 books that need to be returned! That's a lot of books, however the library needs to have all the books back before the end of term. So please bring in your library books asap.

Congratulations Miria

Big congratulations to our student, Miria K, who recently competed in the National Ice Skating Championships in Melbourne as part of the Synchronized Figure Skating team.

We were delighted to hear that her team came second in the competition. Congratulations Miria!

Playgroup Christmas Party

A reminder for Friday Playgroup families

Playgroup will be having its Annual Christmas Party on Friday 13th December. We would appreciate it if everyone could please bring a plate to share to make it a real festive feast!

Playgroup will run as normal from 9-10am, then the party will be held from 10-11am. Young Santa will make a guest appearance and present all the playgroup children with a small gift from under the tree. No RSVPs necessary, but we hope to see everyone there!

Have your say on new recreational facilities

- From the M6 Stage 1 Project Team

The M6 Stage 1 (formerly known as F6 Extension Stage 1) will connect President Avenue at Kogarah to the New M5 at Arncliffe, connecting southern Sydney to the wider motorways network.

Once complete, the M6 Stage 1 will remove 2,000 trucks a day from surface roads and help ease congestion - returning local streets to communities.

Our construction activities will have a temporary impact on open space and the recreational facilities at Rockdale Bicentennial Park. We understand how important this area is for you so we are planning to upgrade existing facilities at Ador Park and McCarthy Reserve, Rockdale and Brighton Memorial Playing Fields, before construction starts.

We are now inviting you to have your important say on our concept designs and Review of Environmental Factors (REF) by Friday 20 December 2019.

Your new recreational facilities will include the creation of new grass and synthetic playing fields, more car parking spaces as well as a new skate park and play areas.

The REF and concept designs can be viewed here on our interactive portal.

You can provide your comments by:

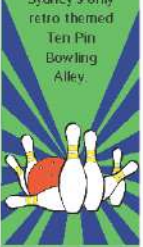

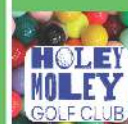

www.rms.nsw.gov.au/m6portal

M6Stage1@rms.nsw.gov.au

If you would like to learn more about our project please get in touch on 1800 789 297 or email. Please note the construction of these new recreational facilities will be subject to M6 Stage 1 planning approval.

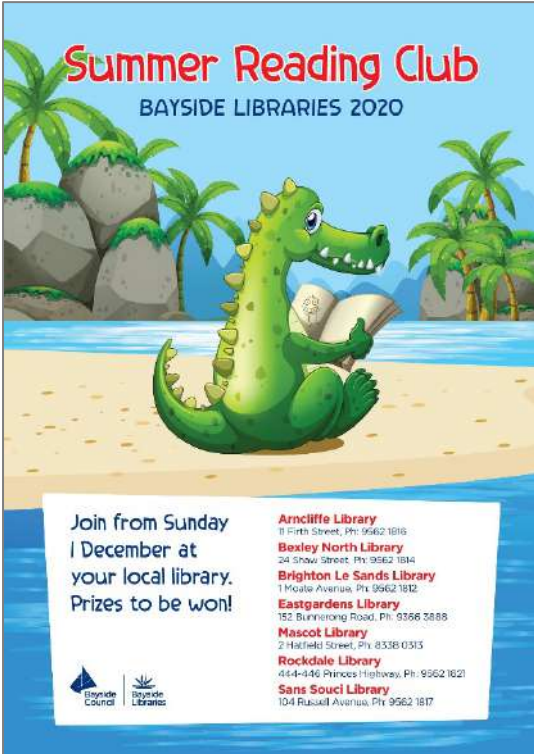

Don't forget TASK are running fantastic Vacation Care programs at Arncliffe PS from 13–28 January 2020!
