Lolly Jar Winners

Thank you to all the students who participated in the guessing competition on Wednesday 10th November. It was a huge success and we raised approximately \$400 which will go towards the Year 6 Farewell.

The following students guessed the exact number of lollies and they all now have a lifetime supply of candy! Well, a lot of candy at least!

Congratulations to Leah K for winning the small lolly jar, Aiden C for winning the medium lolly jar and Hussein K for winning the large lolly jar!

Submit your art to ARTcliffe@Home

- A whole of school initiative from the Instrumental Music Program

Dear families,

I hope you are all well and your children are enjoying being back at school with their friends and teachers.

It's been another tough year for the music program, but I hope that most of the music students have still been able to enjoy learning and playing in this latter part of the year - the Easter Hat parade and Mothers day performances seem so far away now!

Unfortunately with the current restrictions, there will not be any rehearsals or concerts for the rest of the school year, so for now we would like to encourage all students, whether you are in the music program or not, to participate in ARTcliffe@Home.

Simply take a photo of your favourite artwork (painting/drawing/collage/colouring-in) and email it to arncliffemusic@gmail.com with full Student Name & Class asap.

A reminder to the music students only

Send in your recording as per the instructions from your ensemble to your Conductor - all ensembles should have received instructions - please let the music program know asap if you are unsure what your ensemble is recording.

The music program is really excited to put another virtual showcase and looks forward to sharing it with the broader school community.
