Strike information - Tuesday 7th December

Please refer to the Department's information below. **The majority of our teaching staff will be on strike. There will only be minimal supervision on the day.**

Education

3 December 2021

Dear parents and carers

The department is currently negotiating a new Award with the Teachers Federation with the help of the Industrial Relations Commission. The Industrial Relations Commission is the official place where pay negotiations take place in NSW.

The Industrial Relations Commission has ruled any industrial action by the NSW Teachers Federation is illegal while negotiations are underway, and the department is urging them to call off any industrial action including the proposed 24-hour strike on Tuesday 7 December.

As a result of the strike our school will be providing minimal supervision of students on Tuesday 7 December. This means the cohort arrangements that have been in place this term will not be in operation. However, our school will still operate in a COVID-safe manner in accordance with NSW Health guidelines.

We are doing all we can to resolve this dispute with the Federation.

The current Teachers' Award expires on 31 December 2021. Rather than wait for the outcome of an arbitration decision by the Industrial Relations Commission in May next year, the department intends to offer a 2.5% salary increase for teachers and related employees as soon as the current Award expires, ensuring our staff don't miss out. This is the maximum amount allowed per annum under the Industrial Relations Act.

We appreciate your patience and understanding during this disruption, especially given the challenges we have all faced this year. We will keep you updated on further developments as they come to hand.

education.nsw.gov.au

Canteen is CLOSED on Tuesday 7th Dec

Please note that the canteen will be closed on Tuesday 7th December. No lunch orders or snacks available on that day. Please pack all food and drinks for your child.

Presentation Day

As advised last week, a series of Presentation Days will be held for each stage during Week 10. The events will be held on the following days (please note the change of dates from previously advised):

- Mon 6th ES1/S1 Presentation Day
- Wed 8th S2 Presentation Day
- Thu 9th S3 Presentation Day

A note to Award Winners only: Award winners have already been notified (please do not mention this to your child). We will be filming each Presentation Day and emailing a private non-sharable link to the award recipients' parents. If you haven't already returned the note, please do so as a matter of urgency.

We hope that by 2022 we can again open our doors and have the big Presentation Day that we all can enjoy together as a community. Thank you for your understanding.

Avenal Street Important reminders

Parents, once again, we must remind you of the road rules around our school. We are concerned about the driving behaviour of parent/carers on Avenal Street at pickup and drop off times in particular.

Please only park in the Rear To Curb parking spaces on the left, or in designated parking areas on the right of the street. **Do not park across our neighbouring businesses or residential driveways or double park at any time.**

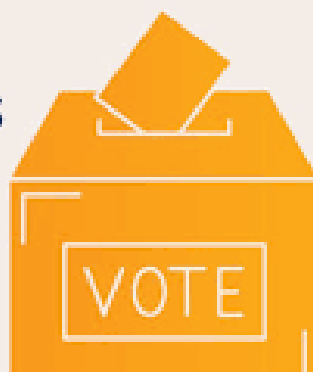

Avenal Street is ONE WAY coming from the Princes Highway. **Do not reverse down Avenal Street at any time.**

Thank you for being respectful of this request. The safety of our children on this busy street is paramount.

2021 NSW Local Government elections

Saturday 4 December

Voting is compulsory

Christmas Fun Day

It was lovely to see all the children dressed in Christmas colours and participating in our Christmas Fun Day activities!

Kindergarten Orientations

We were delighted to welcome our 2022 Kindergarten children to our school for the last two weeks of orientation. And we look forward to welcoming them to our school community next year.

“If you have a garden and a library,
you have everything you need”

- Marcus Tullius Cicero

3 weeks of vacation care by TASK
