Happy SASS WEEK

This week has been SASS Recognition Week. Our SASS (Office Staff, Learning and Support Officers and General Assistant) are integral to the smooth operation of our school. At APS we are so very fortunate to have caring, compassionate, experienced and committed SASS. On a daily basis our staff, students and parents are the recipients of their expertise, knowledge and general willingness to support and deliver a raft of essential operations. Our Learning and Support Officers work closely with our teachers and students in the classroom to ensure full access to the curriculum for their particular students. Tony our GA works diligently to maintain our school grounds, gardens and general maintenance of the school with drive. Our Office Staff consistently ensure that our parents are informed, students cared for and teachers are supported. On behalf of all our students, parents and Teachers I would like to acknowledge all our SASS and thank them for their dedication. Happy SASS Week!

SRC - Jersey Day

This week, the SRC hosted a Jersey Day and Football merchandise stall which the whole school participated in. They had a successful day and raised almost \$750.

This money will be donated to the Australian Wildlife Conservancy organisation to help threatened Wildlife in Australia.

The students had a fantastic time and the SRC did a great job! We thank you all for your kind generosity.

Tell Them from Me - Parent Survey Link

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them from Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 4th September until the end of term 3. Although participating in the survey is entirely voluntary, your responses are very much appreciated.
