Footbridge and pedestrian safety

We have had a call from a kind member of our community who is gravely concerned about the safety of one particular APS student who she has twice witnessed running across the Princes Highway from the units on the west side.

If your children walks to school on their own, please have an important discussion about pedestrian safety and ensure that they use the pedestrian bridge at ALL TIMES when crossing the Princes Highway.

More than 1500 pedestrians are hit on NSW roads each year. Even if you are familiar with the road, it's vital to take an extra moment to look out before you step out, and always choose the safest place and time to cross. We all have a part to play to bring the road toll Towards Zero.

This week on Monday, the SRC students attended a Party with the Principal where they reflected on all their hard efforts this year. This included raising over \$2,000 for various charities and organisations, including the Pyjama Foundation, Australian Wildlife Conservancy Organisation and Cabbage Tree Island Public School.

As a reward, they were able to enjoy some delicious snacks and drinks together. They all had a fantastic time, including Ms Ladd!
