HELPFUL
TIPS

Wise Words

(from the Office Women!)

Brrrr. Winter is not quite here, but it's already really cold. Please make sure you send your child to school with a warm jacket/jumper and make sure it is labelled! If your child is in Kindy or Year 1, it's always a good idea to pack a spare pair of undies and shorts....just in case 😊

Day's Learning Community

Zone Cross Country

On Tuesday 16th May, 32 students from Arncliffe Public School attended and participated in the Botany Bay Zone Cross Country Carnival at Scarborough Park. All students displayed the values of respect, responsibility and participated in their age races with determination.

Congratulations to all the students who represented our school and made us proud. A big congratulations to Zaak K, Assad C and Manessa D who came top 6 in their age races and have made it through to the Sydney East Cross Country Championship coming up in a few weeks. We wish you all the best of luck in your races.

Is your voicemail working?

We urgently ask all parents to check that their voicemail is working as expected. An easy way to check this is to ring your mobile and check. If you have a recording that says this we don't think it is leaving messages:

“(reads your number) is not available right now. Please leave a detailed message after the tone. When you have finished recording just hang up and your message will be sent as a text”

The office hears these messages frequently and we always leave a message, but when we talk to the parent we find that our message was not received.

Please ensure your voicemail is set up correctly so we can leave messages for you if needed in an emergency.

Thank you for your urgent cooperation.

Pizza for EAL/D students

As part of our learning this week some of the EAL/D children made pizza. Ms Saleh bought in some homemade dough balls for us to use.

The children learnt to roll, knead and work the dough. We covered them with delicious toppings such as cheese, spinach, mushroom, olives and capsicum. After they cooked, the children choose to eat them or take them home to share with their family. There was so much conversation, happiness and full tummies in the room!

Our Chess Champion!

Congratulations to our new student Brian V who recently came 2nd at the Sydney Academy of Chess Parramatta Under 12 Chess Tournament. This is a wonderful accomplishment for Brian! Congratulations!

Brian is continuing to learn and play chess here at APS with Sydney Academy of Chess which operates Chess Club on Friday afternoons. This highly regarded and very popular activity has two groups operating - beginners and those who have been learning for a while. For more information see below for details on how you can enrol.

CHESS!!

Learn to be a chess champion! Coaching for students at Amcliffe Public School is held on:

Beginner/Rookie: Fridays from 3:10pm to 4:10pm, starting on 28 April 2023

Intermediate: Fridays from 3:10pm to 4:10pm, starting on 28 April 2023

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

Debate Update

On Tuesday, 23rd May, Round 2 of The Sydney South Debating Competition took place via Zoom. Our team consisted of Layla T, Ava K, Harvey W and Hadi F debating the topic, 'That Supermarkets should only sell Australian Products'. Our team debated the affirmative side. Unfortunately, we were defeated and Matraville PS 'A' won the debate.

Congratulations to our speakers who prepared thoroughly, presented confidently and displayed wonderful teamwork. We are extremely proud of your effort and skills demonstrated.

Thank you also to all of the children in The Debating Squad who have been training tirelessly and enthusiastically each week.

- Mrs Dolso & Ms Mehanna

PSSA News and Results

We remind parents that the bus for PSSA leaves from the Segenhoe Gate at 8.30am promptly. Please make sure you bring your child to the gate at 8.15am. The playground is unsupervised so they must be taken to the PSSA teachers at the bottom court. Please also note that the office doesn't open until 8.30am.

Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.

Does your child experience stressful or scary situations or objects, worry about school, or get very upset or angry to avoid things they find scary?

About the study

- Our team at Griffith University may be able to help your child's anxiety and help you work out how to help them in the following situations:
 - A thorough assessment of your child's anxiety with a specially trained professional.
 - A free home-based assessment of your child's anxiety.
 - A free home-based treatment of your child's anxiety.

The study aims to find out if the free home-based assessment and treatment is better than the current standard of care for children with anxiety disorders. The study will also help to find out if the free home-based assessment and treatment is better than the current standard of care for children with anxiety disorders.

About the treatments

- Each treatment involves your child's assessment and treatment by a specially trained professional.
- Our treatment is based on the latest research and is based on the latest research and is based on the latest research.
- The other treatment is based on the latest research and is based on the latest research.
