Wishing Tree WOW!

We were absolutely humbled by the wonderful display of generosity from our community in supporting the SRC's Wishing Tree initiative. The representative from Caring Kids was so grateful to our school community for our support and it will make a big difference to the people their charity supports. Thank you truly for making a difference.

Basketball PSSA Results

- And a reminder to return your jerseys/singlets!

The Basketball competition was run as a “first-past-the-post” competition so we did not know the results when we published our newsletter last week. We extend congratulations to Athelstane Public School who were the Junior Champions and Carlton South Public School who were the Senior Champions. Arncliffe Public School competed valiantly and came in 8th place for the Juniors and 13th place for the Seniors. Well done everyone for a hard fought competition.

All PSSA players must now return their singlet/jersey (washed) to the school asap. Thank you for attending to this promptly.

Minecraft Engineers Program

- New after-school program starting in Term 1 2024

As advised last week, we are delighted to offer a new 8-week after-school program commencing in 2024 exclusively for Arncliffe Public School students. Minecraft Engineers is suitable for students in Years 2-6 and will be held on Wednesday afternoons (3.15pm - 4.30pm) in the Computer Room commencing in Week 2 of Term 1.

A reminder that the early bird special expires on 15 December. Use the following booking link and discount code to take advantage of the special.

- **Booking link:** www.codecamp.com.au/arnps
- **Discount code:** T124EB

Please see below information specific to the program being offered here.

Arncliffe Public School is pleased to be hosting Code Camp after-school in Term 1, 2024.

At Code Camp, kids design, code, problem solve and become storytellers and creators of technology, by creating games, websites, music and videos or flying drones – in weekly after-school sessions!

Students in Years 2-6

Minecraft Engineers is our latest exciting blend of coding, engineering, and creativity using everyone's favourite game: Minecraft!

Over each 8-week project, students will investigate and solve technical problems to construct roaring rollercoasters and soaring skyscrapers.

Redstone engineering, circuitry, physics, programming, and more... what can your budding engineer build in Minecraft?

Book now using discount code **T124EB** to take advantage of our \$15 Early Bird Discount running until 15th of December 2023.

VEGETABLE CHOW MEIN

Serves: 6 Prep time: 10 mins Cooking time: 20 mins

Ingredients

450g shelf-fresh Hokkien noodles or fresh noodles of choice
50ml salt reduced soy sauce
1 tbsp oyster sauce
2 tsp honey
1 tbsp sunflower oil
1 brown onion, cut into wedges
2 tsp garlic
500g frozen stir-fry vegetable mix, without sauce
Sesame seeds (optional)

Method

Step 1: Place noodles in a large heatproof bowl and cover with boiling water for 5 minutes. Separate with a fork. Drain well and set aside.

Step 2: Combine the soy sauce, oyster sauce and honey in a bowl. Set aside.

Step 3: Heat the sunflower oil in a large frypan over medium-high heat. Add the onion and cook for 1 minute. Add the frozen vegetables and garlic. Stir fry for another 3-4 minutes until the vegetables are cooked through.

Step 4: Add the noodles and sauce mixture and toss to combine. Sprinkle with sesame seeds if desired.
