A proud member of the Bayside Learning Community

League Tag Gala Day

On Thursday, the year 4 students attended an OzTag Gala day at James Cook Boys Technology High School where they played against other schools in the Bayside district. They had a fabulous time learning new skills and enjoyed a free sausage sizzle.

Congratulations to Koah Tihema for winning the man of the match award and Michayla Pace for winning the best sportsmanship award.

What you can do

Building positive attendance habits

You can help build positive attendance habits by:

- helping your child learn the importance of punctuality and routine
- making sure your child arrives on time from the start of the school day, ready to take part
- reducing disruption to learning where you can, by planning any necessary appointments outside of school time
- contacting your school to explain any absences (within 7 days of the first day of any absence)
- making sure any holidays or medical appointments are taken outside school hours
- working with the school to encourage and support regular attendance.
