The calibre of speeches and content presented was outstanding. We wish them all the very best, we know they will represent Arncliffe with pride.

# Raising Healthy Minds

The Raising Healthy Minds app is a FREE, personalised pocket resource to help parents raise confident, resilient children. Co-designed with parents and experts and funded by the Australian Government, the app offers a mix of quick-read articles, videos and animations designed to support children's social and emotional wellbeing from birth to age 12.

The advertisement features the Raising Healthy Minds logo at the top left, which consists of a colorful brain icon and the text 'Raising Healthy Minds'. Below the logo, the text reads 'Download the app for tips to raise confident, resilient children'. To the right, a smartphone displays the app's interface, showing the same logo, the text 'Raising Healthy Minds Children's emotions, behaviours and wellbeing', and a photo of a family. At the bottom of the smartphone screen is the website 'raisingchildren.net.au'. Below the smartphone, there is a 'Download the app' button with a downward arrow icon and a QR code.
