1001 Arabian Nights

Congratulations Stage Three

What a SHOW you put on!

Apart from many outstanding performances, I love the way the students deal with the complications that inevitably turn up. I am seeing their creativity and abilities on many levels. This was indeed a chance for students to not only show their unique talents, but to face their nerves and realise their strengths.

Many students may never get this kind of experience again. We hope it is with an excited nostalgia that when they remember their time at APS, they remember their Stage Three Musical.

Bayside Rangers will be patrolling

Unfortunately, despite our best efforts to promote road safety around our school, some parents are still disobeying road rules, particularly in relation to double parking, parking in No Standing Zones, parking across the staff driveway and driving the wrong way up Avenal Street.

For the safety of our students, we have contacted Bayside Council and asked them to make regular patrols of our area at key drop off and pick up times.

You may not think that your activities are having an impact, however the law is the law. We will not tolerate anything when the safety of our children is being compromised by irresponsible driving habits. Nor will we tolerate rude interactions to our staff or other community members when it comes to road safety.

We are receiving regular phone calls from parents and community members who have witnessed irresponsible road safety behaviour around our school.

I urge everyone to drive safely around our school, obey the road rules and be kind and courteous drivers.

Kindergarten Open Day

The poster features a top photograph of children in school uniforms and blue hats standing in a garden. Below this is a circular inset showing a classroom interior. To the right of the inset is the school's crest, which is a blue shield with a white border containing the letters 'P' and 'S', the name 'ARNCLIFFE' across the middle, and the motto 'LOYALTY AND TRUTH' at the bottom. The background of the lower half of the poster is white with a blue wave-like graphic separating the top image from the text. At the bottom right, there is an illustration of three wooden alphabet blocks: a red one with the letter 'A', a green one with the letter 'B', and a yellow one with the letter 'C'. A QR code with a small black bird icon in the center is located at the bottom left.
